1. The reply filed on 5/10/2004 (paper #9) is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicants remarks of paper # 9 indicate the new claims [correspond to] the elected but now canceled claims 14-26 and 58-70 previously presented for examination. The [corresponding] claims 14-26 and 58-70 were previously indicated as rejected in consideration of prior art. The remarks of paper # 6 filed 12/19/2003 directed toward the cited prior art and previous claims 14-26 and 58-70 does not apply to the newly submitted claims because not all of the limitations of the previous claim 14 appear in the new claim 97 as now presented (nor new claim 149) . As such it is not clear if the applicant intended to, but merely forgot to supply, appropriate remarks pointing out a suggested difference between the newly presented and broadened independent claims with respect to the prior art previously applied in rejecting the elected claim group claims which, via the remarks of paper # 9, correspond to the newly presented claims. The applicant should have opportunity to supply appropriate remarks directed to the newly broadened claims in order to attempt to avoid final rejection of the newly presented broader claims on basis of the art previously relied on to reject the corresponding claims 14-26 and 58-70. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
